If you have a nomination for the volunteer of the year, please turn them in to a board member by the end of February.

Manager's Report:

Bonnie reminded all Rv'ers that the deadline to reserve the same site for next year is March 1st. They are only taking reservations for the Rentals for 3 months or more at this time. If you wish to rent for a shorter term, they are compiling a list and will be contacting you in September or October.

Bonnie discussed the rules regarding Service Dogs. Basically, the dog can go anywhere she goes. She handed out a card that outlined the rules around Service Dogs.

Dan asked that if any of the Residents borrowed the green 8-foot stepladder to please return it.

A question was raised to Dan asking if he had any estimates on the cost of the new building? He replied that if he got a contractor in to frame it up, the cost for just the shell would be \$48,000.

There was another question regarding the spraying of the citrus trees, would that harm the trees that are blooming? Dan replied that the trees would not be hurt.

A discussion was held regarding the Garbage and Recycling and why can't we have more recycling containers like Leisure World. Leisure World has 5 containers 4 are for garbage and only 1 is for recycling. Leisure World pays \$10/month for their garbage; Trails End only pays \$5/month, because we recycle. He again reminded the residents that cardboard must be broken

down before placing in the recycling. By breaking down the cardboard, there is more room for other recyclables.
